MALE NUDIST PORTFOLIO

The first six issues in this series of Male Nudist Portfolios have been declared NOT OBSCENE in the New York City Criminal Court and in The Court of Appeals.

MALE NUDIST PORTFOLIO is published to provide a collection of photographs to be used by the art student in his studies of male anatomy and posing the model. While it is always preferable to use a live model, this publication will provide an invaluable reference when a professional model cannot be readily obtained. Those desiring erotic or purient material are warned that such is not to be obtained in this publication, nor is it our intention to provide material of such a nature.
